Each year we have always looked forward to the third Sunday in May...the Gober Cemetery Memorial Day Service. This year we find ourselves in another unique situation, for the 2nd time in the history of the Memorial Day celebration. Because of our continuing health concerns, the Association Board members and others involved with the program, feel, for the safety of all, we must cancel our gathering again this year. We are saddened, but let us come together through the spirit in our hearts on May 16 at 10:00 A.M. Let us feel each other's presence, let us hear the joyful music, let us hear the loving message and let us smell the glorious food! *The cemetery is beautiful as always. In order for it to remain that way we depend upon everyone's yearly contributions. Please find it in your hearts to bless us with a much- appreciated donation so your loved ones' resting places continue to be one of beauty.*

Accomplishments Over the Past Year,

- Storms over the end of last year and beginning of this year downed some of our huge trees or broke off large limbs. Limbs had to be trimmed and a couple of trees had to be taken down in order to maintain the beauty and safety of the cemetery.
- The cemetery road had started to wash out in a number of places. We had new rock hauled in and the cemetery road has been repaired and completely improved.
- The unsightly pile of rocks at the entrance to the cemetery has been moved.

Ongoing Projects,

- Look up names of grave sites where the stones are so eroded that information cannot be read. Consider metal name markers in these areas.
- Purchase of a software program that will allow us to computerize the cemetery database.
- Continue to control the lichen growth on head stones.
